Graduation Fee

As we begin preparations for graduation, we would like to make you aware that the 2027 OHS Graduation Fee is \$160.00, which is slightly higher than in previous years.

This fee has been structured as a **combined graduation package** that covers the cost of four major graduation events throughout the year:

- Grad Banquet
- Prom (a guest ticket, if required, will be an additional cost)
- Graduation Ceremony
- Safe Grad

Grad Photos

Harvey's Studios will set up a photography studio at OHS (location TBD) and appointment times will be given to grads during Homeroom in early October. You can switch appointments with another student, however, both parties must agree to the switch.

The sitting fee for the photo is part of the overall grad fee. You will receive a print sheet to order if you wish and an opportunity to select the photo you would like in the yearbook and on the grad composite.

Graduation Honours

At OHS, graduates will receive a gold honour cord to wear with their graduation regalia if they have achieved an overall average of 85% in both their grade 11 and grade 12 year.

Other:

- Yearbooks: Are not part of the combined graduation fee and must be ordered from the Jostens website. This will be posted and promoted starting soon.
- Grad Class events: Will be planned by the Grad Class and any costs associated are not included in your grad fee.
- Student fees are mandatory. Participation in graduation events and grad class events will be limited if your student fee is not paid.
